

# Regenerating Our Bushland after Fire, Hawkesbury

Increasing local community capacity to manage environmental recovery through skill-based workshops and on ground support in Upper Hawkesbury.

Bilpin, Mountain Lagoon, Kurrajong to East Kurrajong, Colo & Colo Heights, St Albans, Macdonald Valley and surrounds

Hawkesbury-Nepean Landcare Network (HNLN) is providing support to bushfire affected properties and providing advice on post-fire land management (e.g. weeds, soil) and conservation. We will be visiting properties, running workshops on topics of interest to you and building networks for long-term wildlife recovery and bushland management.

## *How can we help you?*

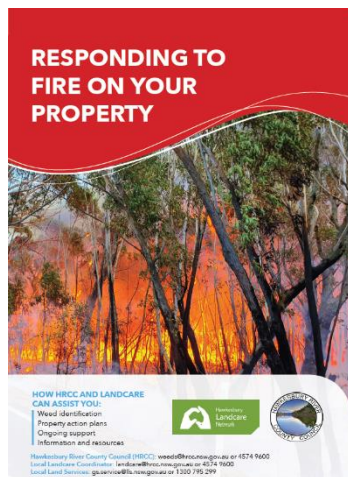

- ☐ Property visits and on-ground advice.
- ☐ A recovery support network
- ☐ Workshops on topics relevant to the community
- ☐ Assist with sourcing funding to support further property restoration.
- ☐ Assist residents to be part of fire recovery research
